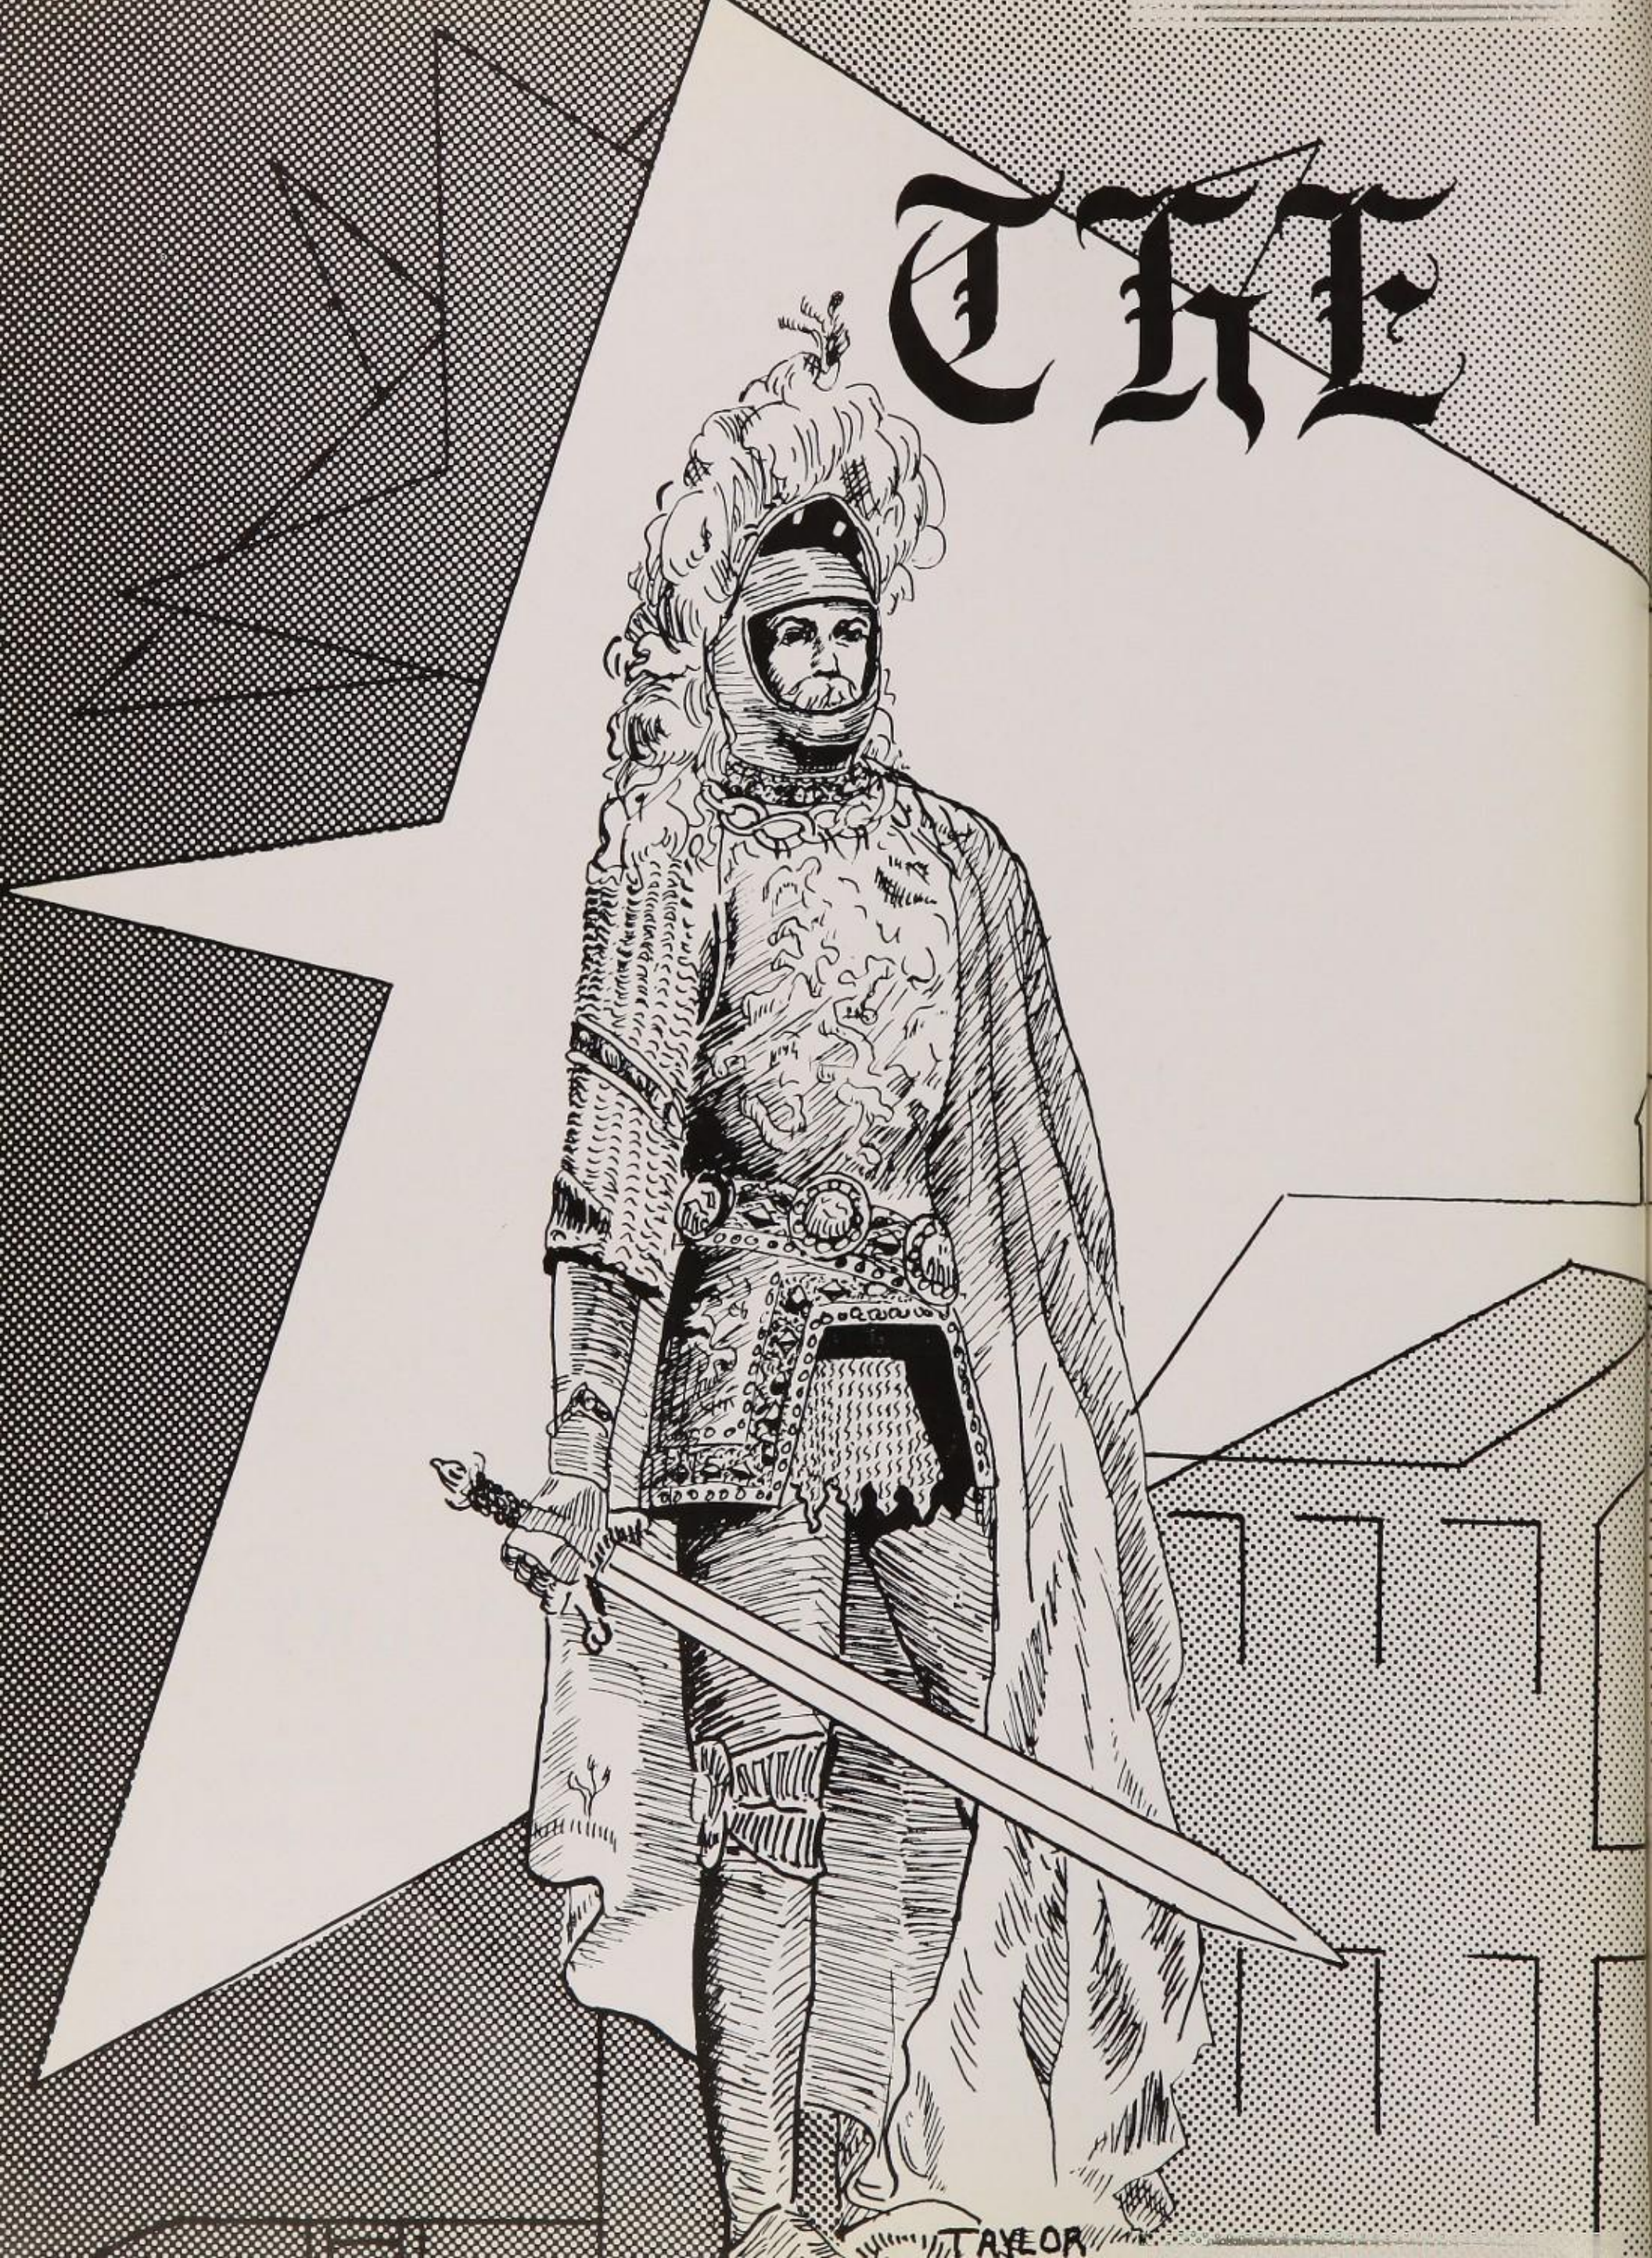
THE

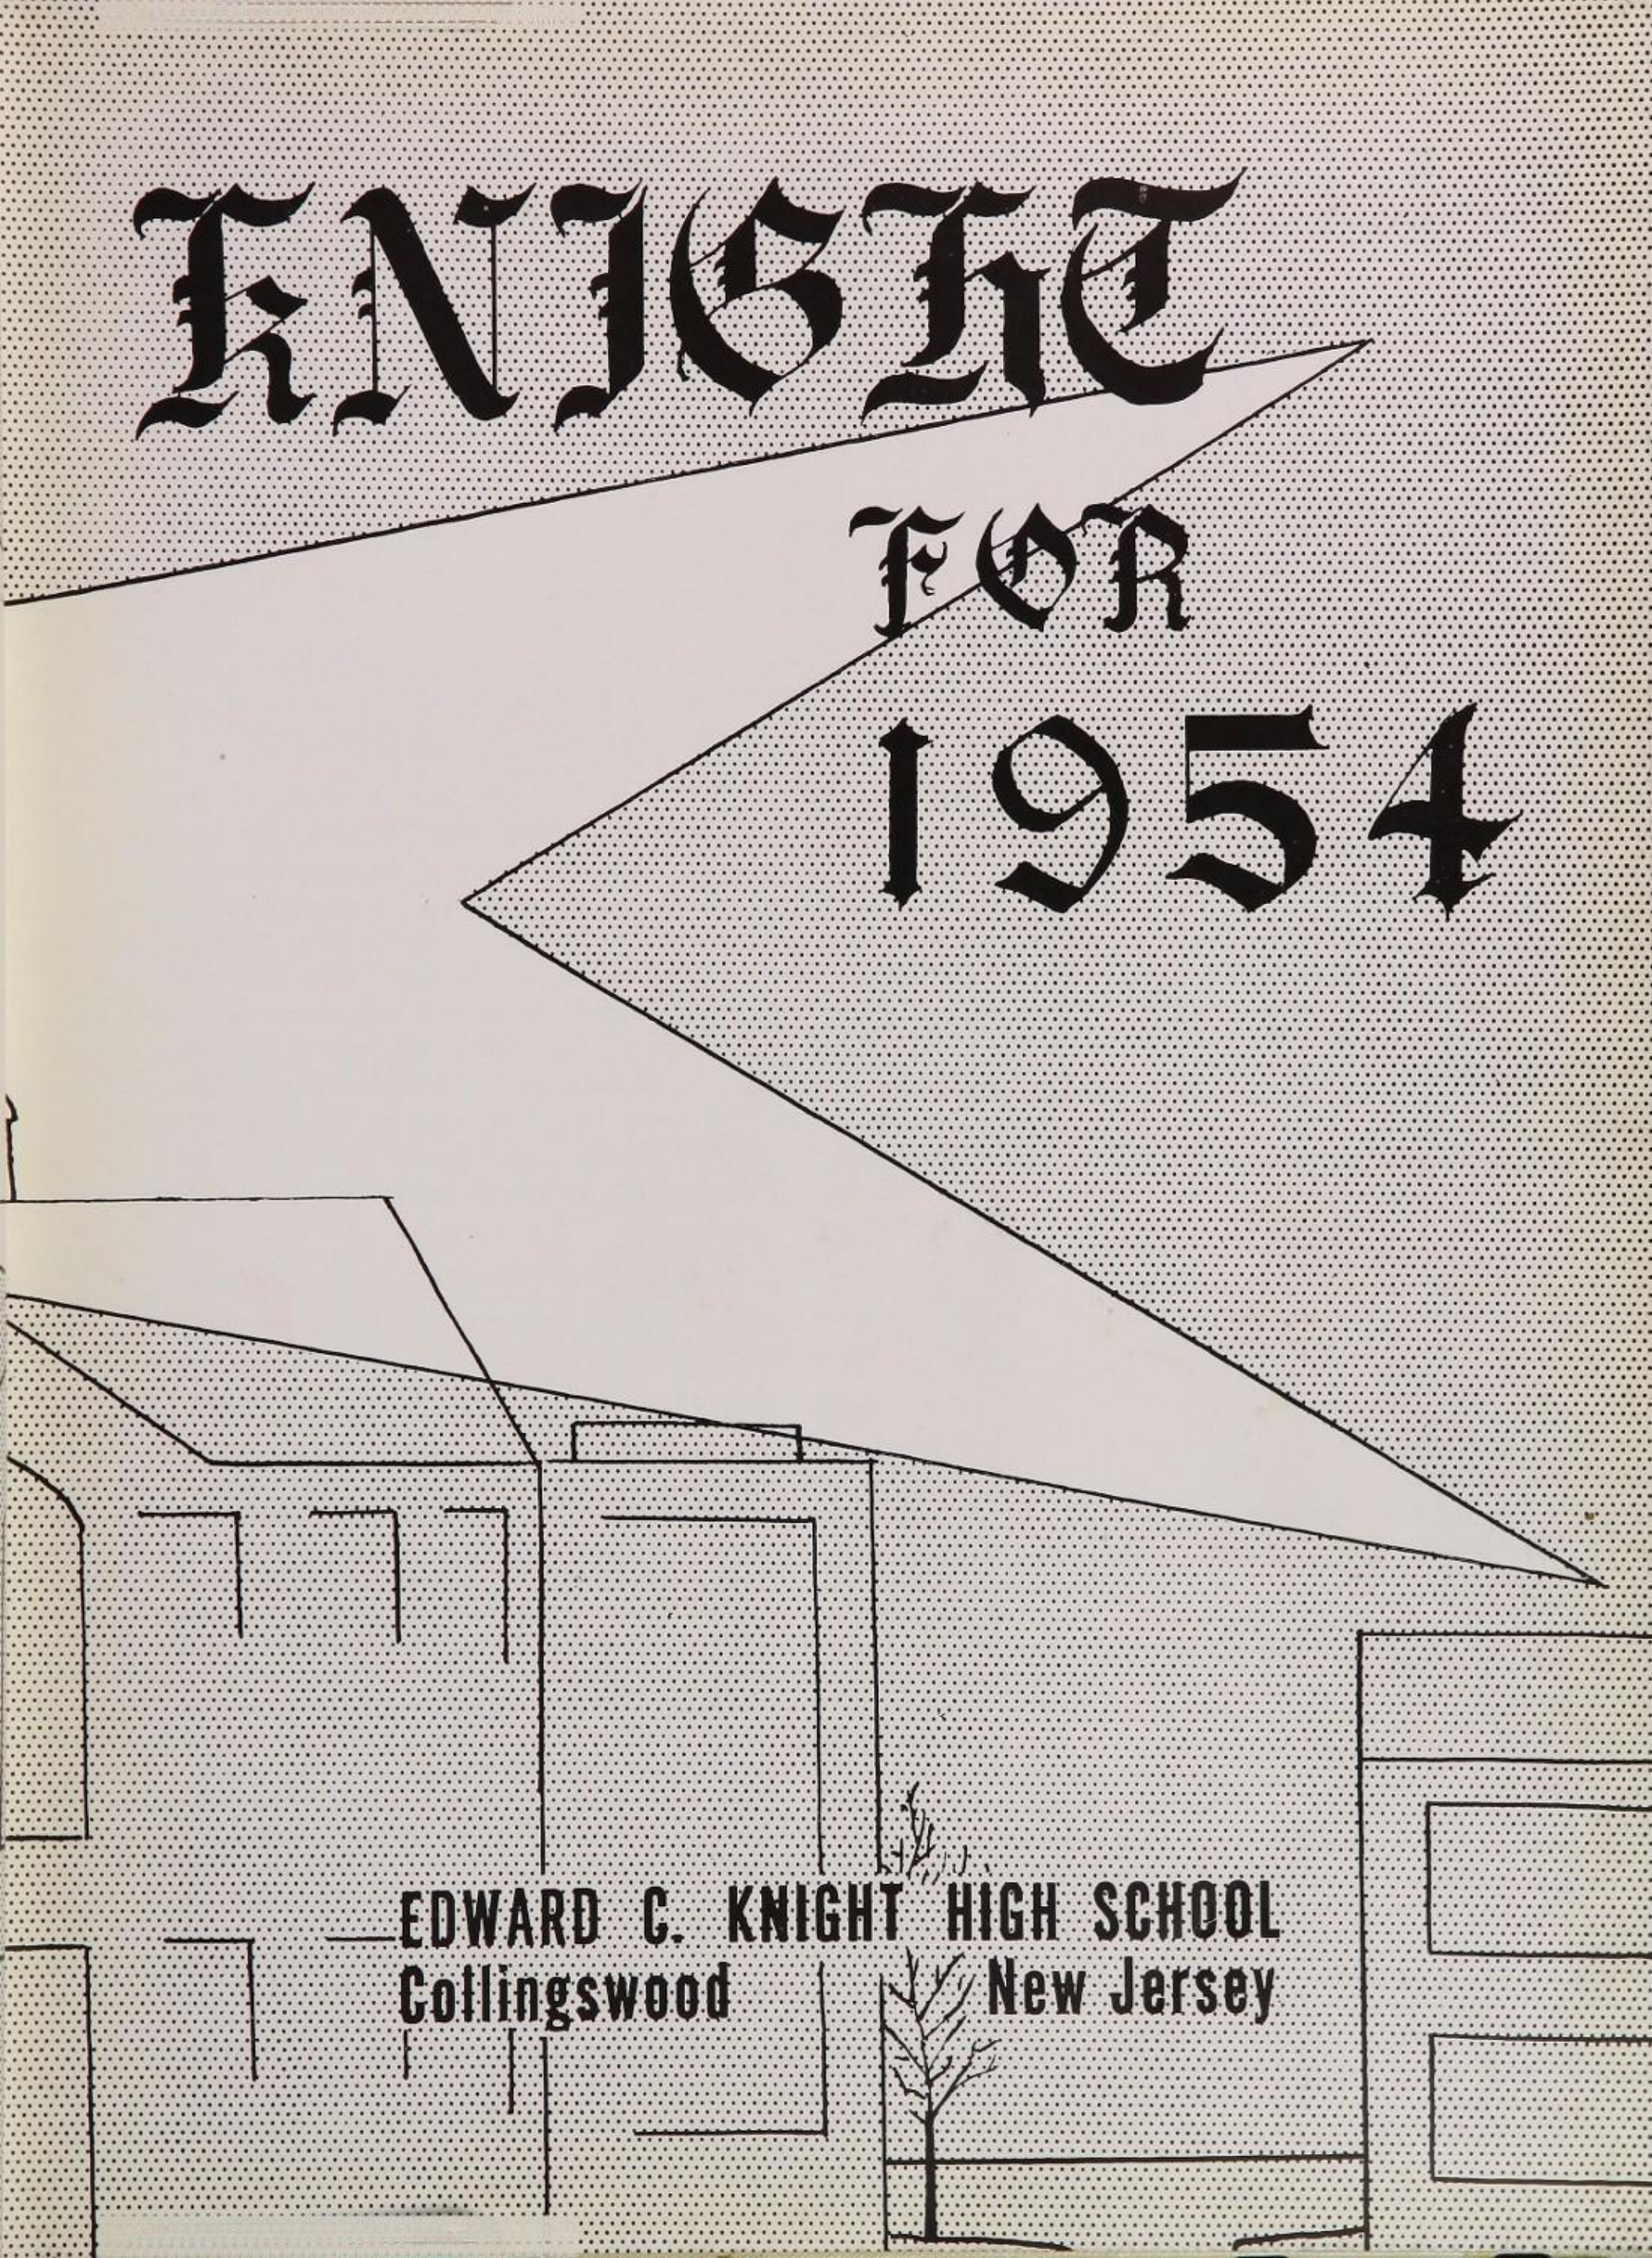


TAYLOR

KNIGHT

FOR

1954



FOREWORD . . .

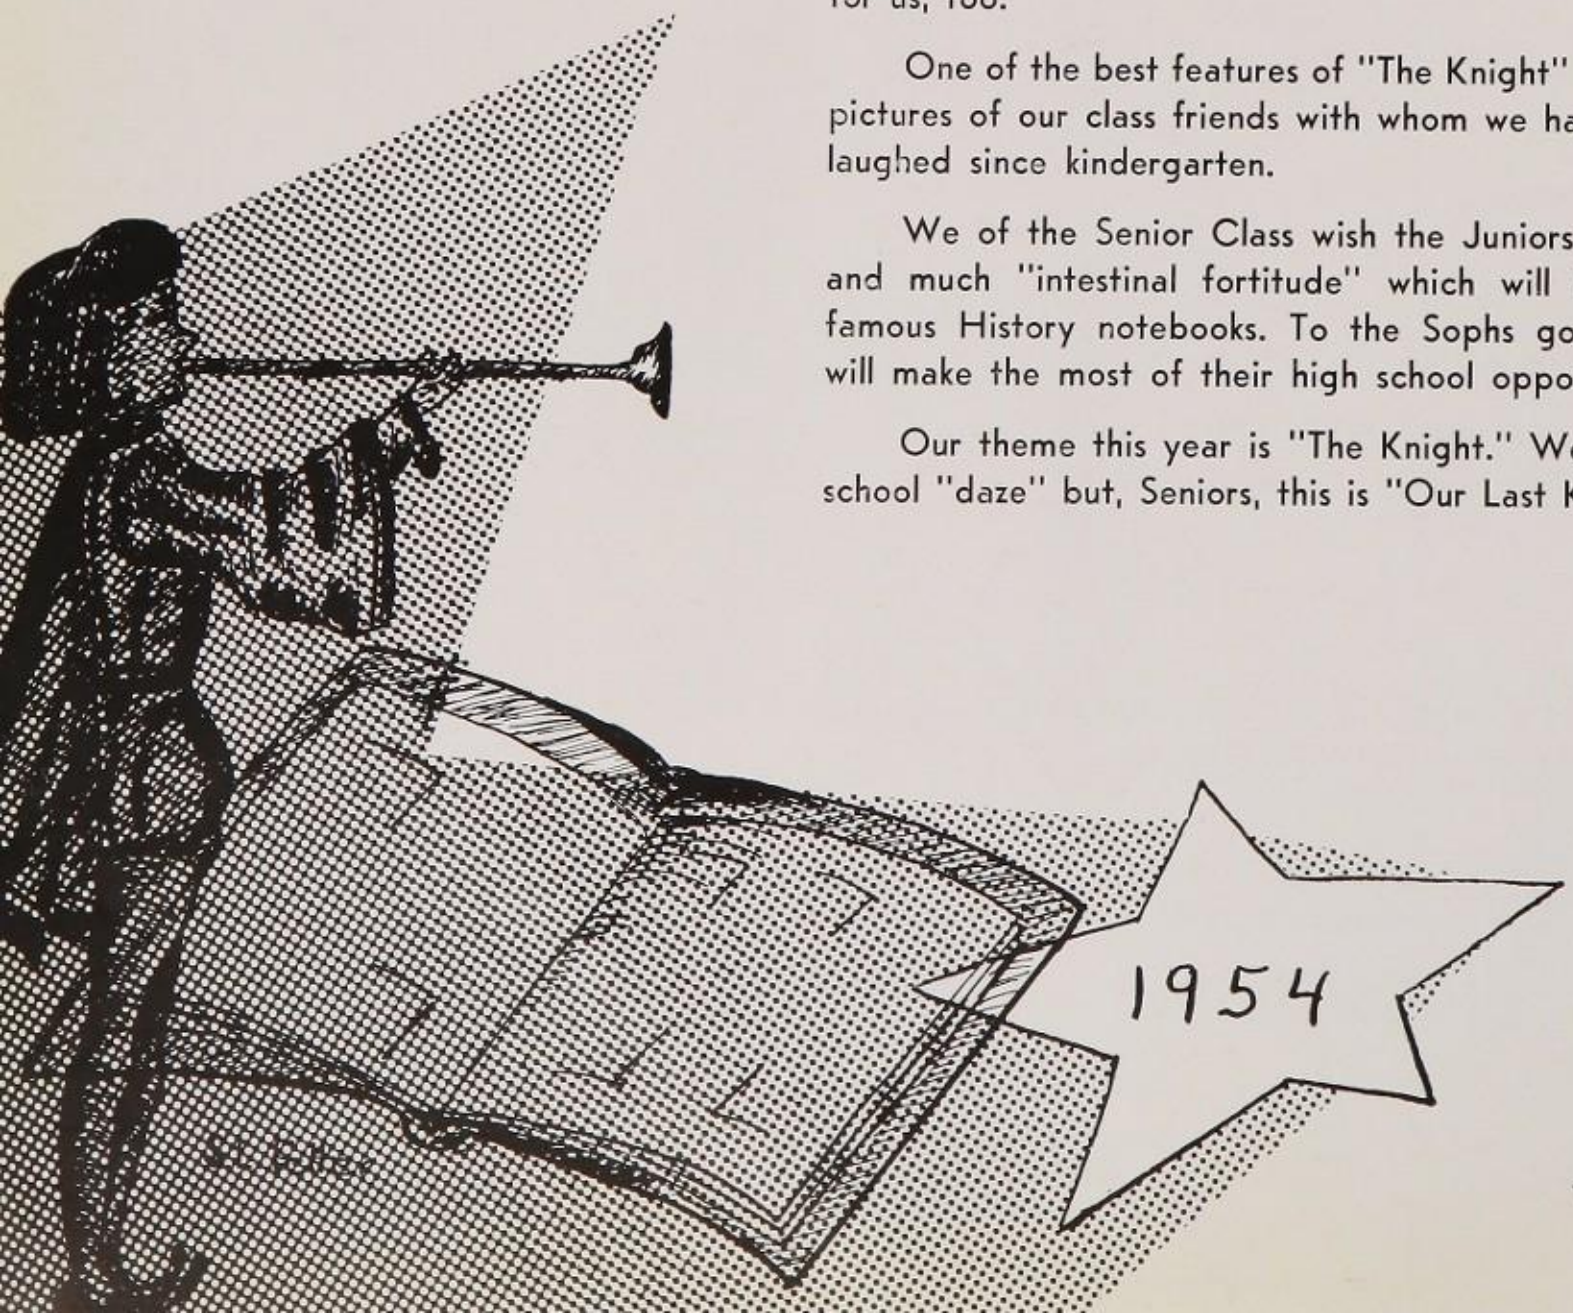
It is here! The book to which we have been looking forward, the great new '54 "Knight." Through this book we of the "Knight" Staff hope you will never forget your high school "Daze."

As we look through it, we find the faces of those who have guided us through our high school "daze" and "Knights," the faculty. Then, we find pictures of the school rooms we sometimes loved and sometimes detested—we have had our "mixed emotions." Next, we see the football heroes. We remember the thrill of that last-minute touchdown. As the hockey girls come to view, their fast-moving games are never forgotten. Basketball comes in with many breathless victories and the agile fellows and girls who scored for us. Swimming, baseball, wrestling, tennis, archery, and track all have their place in "Our Knight." We shall never forget the opening "Knights" of the Dramatic Club Plays, the Candle Light Service, the Talent Show, and the Kolls-High Karnival. Our various service clubs are all pictured for us, too.

One of the best features of "The Knight" is the use of individual pictures of our class friends with whom we have toiled, fought, and laughed since kindergarten.

We of the Senior Class wish the Juniors a successful last year and much "intestinal fortitude" which will be needed for those famous History notebooks. To the Sophs go our hopes that they will make the most of their high school opportunities.

Our theme this year is "The Knight." We have had great high school "daze" but, Seniors, this is "Our Last Knight."



PROUDLY WE DEDICATE

Mr. Chester A. Olinger

C. A. Olinger

WITH SINCERE ADMIRATION, THE KNIGHT STAFF WISHES TO DEDICATE THE 1954 KNIGHT TO OUR TEACHER AND FRIEND, MR. CHESTER A. OLINGER.

BOARD OF EDUCATION

FRONT ROW: Mrs. Katherine T. Goulburn, Secretary to the Board; Mrs. Earl Sawyer 1954; Mr. Lester Tompkins, President, 1955; Mrs. Leslie Bond 1955; Mrs. Louis M. Miller 1956. BACK ROW: Mr. Joseph C. Our Board of Education under the leadership of the President, Mr. F. Lester Tompkins has done many things to benefit Collingswood High School. Through their direction, a new lighting system and clock system were installed in the high school this past year.

Serving in her second year as Secretary to the Board of Education, Mrs. Katherine T. Goulburn has assisted the Board ably in the management of our schools.

She is responsible for the care of supplies, equipment, maintaining all financial, athletic, cafeteria and student activity records. Before taking over her present duties, she was secretary to Mr. H. Milton Restrich, who served in the capacity of District Clerk.

Collingswood High School may well appreciate what the Board has done and hopes it will continue its fine work in the forthcoming years.

TO THE CLASS OF 1954:

These words from "The Life We Prize" by Elton Trueblood, Harpers, 1951, strike me as being good advice to seniors.

"The man who really lives always has vastly more to do than he can accomplish. . . . How does the zest, which gives the sense of significance to life come? It never comes by concentration on ourselves, our ills, and our slights. We are not very important and we cannot really convince ourselves that we are, even were it desirable to do so. We know better. The truth is that we gain a sense of importance for our lives by losing them, and we lose them by devoting them to some ideal, particularly an ideal embodied in a concrete cause."

Congratulations and best wishes to the Class of 1954.

CARL M. DIEFENBACH

MR. CARL M. DIEFENBACH
Superintendent of Schools

MR. PERCY S. EICHELBERGER
Principal of Collingswood High School

Congratulations, Class of 1954. The time of your high school career has passed. I hope it has helped create some ability to understand. Continue to use your time to get understanding; as Solomon once said "With all your getting, get understanding, and everything else will be added unto you."

Take time now to try and understand life. Take time to look—it is the price of success. Take time to think—it is the source of power. Take time to read—it is the producer of wisdom. Take time to be friendly—it is a way to happiness. Take time to laugh—it is music to the soul. Take time to play—it will keep you youthful.

It takes time to store up good deeds done, to spread kindness, to express sympathy, to follow a noble ambition. Graduate of 1954, take time to develop understanding and God's blessing will be yours, which Time can never take away.

GUIDANCE

What to do and how to do it are two of the many questions that can be answered by our Guidance Department.

Heading the Department in the capacity of Guidance Director, is Mr. Vincent B. Faust, who also serves as Assistant Principal. He aides the students by interviewing them regarding their courses and schedules, administering mental ability tests and giving the Kuder Preferance Test, which shows exactly what type of vocation one should follow, to Juniors and Seniors. He is available during the school day to discuss with a student any problem he or she might have.

Assisting Mr. Faust are Mr. Chester Olinger, Miss Eunice Mellinger and Mr. Charles McCaslin, Jr.

Mr. Olinger establishes guidance schedules and does general guidance work.

Miss Mellinger aids pupils in the selection of college or other advance education. She also gives out information on entrance and college board exams and scholarships.

Mr. McCaslin helps a student to find full and part time jobs.

Because of their fine work all at Collingswood High School are benefited. We feel fortunate that we always have someone to help us with our problems.

Mr. Olinger, Mr. MacCaslin, Mr. Faust, Miss Mellinger.

Students consult Miss Mellinger for college information.

Mr. Faust advising S. Robertson, N. Shearer, and L. Maxwell.

MAINTENANCE

The Cafeteria maintenance staff is a very important and efficient part of our school. Its main job is buying and preparing food for our lunches. The members of the staff under the able direction of Mrs. Krebs are: Mrs. Clifford, Mrs. Reeves, Miss Ballinger, Mrs. Fulkerson and Mrs. De Camp. Mrs. Black is the cashier.

Our maintenance staff, although not seen too frequently by us students, does a fine job for our school under the supervision of Albert Hochling.

Starting the furnace on those cold, frosty mornings so that the building will be warm when we make that dash through the door about two minutes before the bell rings, is one of the jobs that the janitors do for us. During the day, they are busy helping wherever needed, whether it is making repairs in the building or working outside. In the afternoon when we have all left for home our maintenance staff really starts to work scrubbing and cleaning our building. All of those bits of paper that were carelessly dropped disappear, the sidewalks are cleaned, the locker rooms put in order, and the windows cleaned for the next day.

On the whole, our maintenance staff helps to keep our school the way that we want to see it.

THE 1954 KNIGHT

Our "Knight" took off on his quest under the direction of the Editor-in-Chief, Arthur Taylor.

As our "Knight" galloped across the pages of our lives, his activities were written down by the literary staff under the direction of Advisor, Miss Margaret B. Rclar and Literary Editor, Celeste McIntire. This staff was made up of nine seniors, eight juniors, and nine sophomores. During the first two six-weeks periods the sophomores learned the set-up of the book. All sports events were recorded by the Sports Editors, Elaine Crooks and "Joe" Bellace. Throughout the journey our "Knight" observed many scenes that were drawn by the Art Staff under the direction of Miss Edna B. Hyde and "Pat" Hynes, Art Editor. The artists who drew the picturesque scenes and mounted the photographs consisted of six seniors, nine juniors, and six sophomores.

The photographs throughout our book were supervised by Barbara Pierce. The Photography Club, Merin Studios and John Bowman, recorded the events and happenings of our "Knight's" journey through the eye of a camera. Suzan Watson and Arlene McElhaney, junior assistants, spent much time and effort in invaluable aid.

Payment for the "Knight's" journey was collected by the Business Staff under the direction of Advisor Kenneth G. Johnson and Business Editor, Doris Wilkins. The members of the staff who took pledges and collected payments consisted of eight seniors, thirteen juniors, and six sophomores.

The staff members worked at least forty-five minutes a week in their respective staffs, working additional hours in order to make the "due dates" and to present a "Knight" that would best recall all the fond memories of our days in Collingswood High School.

Our official school newspaper is the "Colls High News." First published in 1929, its name has always been the same. The staff and the rest of the students are justifiably proud of it. For the past two years it has won the Medalist Award, the highest award given to a high school paper by the Columbia Scholastic Press Association. The "News" is published bi-weekly and the issues are eagerly awaited in the homerooms every other Friday morning. The price is one dollar for a year's subscription or ten cents for a single copy. Mr. Ferner advises the literary staff, and Mrs. Tutem helps with the finances of the paper.

This year the highest position of Editor-in-Chief was capably assumed by Joan James. The News Editor, Barbara Muggleworth, made sure that our

The annual "Knight" and "News" Banquet was held in the Spring. The beautiful "News" pins presented for work on the paper were as follows: The bronze pins to those who had earned 150 points, the silver pins for 300 points, the gold for 450 points, and the highly coveted gold and enamel ones for the few who had earned more than 450. Then came the highest awards available for people on the "News" or "Knight" staffs. These were memberships in the "Quill and Scroll," the International Honorary Society for high school writers.

school was aware of important events. Laura Maxwell was the Feature Editor. She assigned the feature articles and editorials. Sports Editor Kenneth, Baker, let us know all about the past and coming athletic events. Filing Editor, Betty Jo Harrer, gave out points and credits to the reporters, and Nancy Traganza, the Exchange Editor, kept in touch with the schools on the exchange list and wrote "Via the Mailman." At various times witty sayings and poems of both students and teachers were put into the paper, and "Introducing" articles were written about teachers who had given many years of loyal service to the school.

QUILL AND SCROLL

Membership in the Quill and Scroll is a goal desired by all high school journalists. It is an international honor society. Its pins are awarded to a very few outstanding workers on the "Knight" and "Colls High News" in our school. This year the following achieved this honor:

Kenneth Baker, Joseph Bellace, Elaine Crooks, Holly Holzinger, Patricia Hynes, Joan James, Celeste McIntire, Laura Maxwell, Louise Moore, Barbara Muggleworth, Barbara Pierce, Arthur Taylor, Nancy Traganza, and Doris Wilkins.

NATIONAL HONOR SOCIETY

One of the most coveted awards for scholarship, character, service, and leadership in our school is membership in the National Honor Society. This year's officers were, President, Gene Mosman; Vice-President, Elaine Christiansen; Secretary, Joan James; and Treasurer, Jane Beckwith. Every six weeks "N.H.S." awarded plaques to the homerooms for scholarship, attendance and punctuality. Other activities were the decoration of the halls at Christmas, the induction ceremony in Spring, and the Annual Party. Some of the Junior members ushered at the Baccalaureate Service and Graduation in June.

The Student Cabinet exists to afford opportunities to high school students to exercise leadership in the development of self-government among the student body. The members of the Cabinet are responsible for knowing and analyzing the school and its regulations, for suggesting constructive changes, and for working constantly with the students and the faculty to improve the school, so that the students, individually and as a unit, may accomplish those excellent standards of achievement which young people admire and appreciate.

This year the Cabinet held two orientation assemblies for the entering Sophomores. It analyzed the method of entering and leaving the auditorium, the difficulties of traffic in the halls, and the lack of qualifications for officers in organizations that are closely associated with the administrative functions. On the basis of these analyses various committees were formed. They made recommendations to the faculty for comment, then presented these recommendations to the Cabinet. They were approved

by the Cabinet, which sent them to the principal for execution.

Although the voting on recommendations was not always unanimous, the entire student body accepted them and after trying them, found satisfaction in a more orderly and smoother running organization than that offered by unplanned procedure.

The Cabinet spent some time and energy in fund raising activities, such as the parking concession at the football games, the Snack Bar at the basketball games, the business management of the talent show, and the Karnival. The Finance Committee set up a budget which provided money for pins and awards, pencils given to the students, a cheer fund now enlarged to include students as well as teachers, and a new camera and equipment for the Photography Club.

The Student Cabinet, under the sponsorship of Mr. Faust, deserves a great deal of credit for the work it has accomplished this year.

One of the most interesting and well-known organizations in Collingswood High is the Library Council, ably directed by Mrs. Ruth Tayler.

Its members, consisting of Seniors, Juniors, and Sophomores, assist in the various duties of our library; some of which are attending the desk, keeping the shelves in order, checking in new magazines, and many other tasks.

The club, however, is not all work and no play. The girls enjoy many hours of fun and recreation together. Highlighting the activities this year was a trip to the United Nations. One of the senior girls was very fortunate in being chosen to appear on television and in being a guest for a few days. On February fifteenth, the Council took a guided tour through the R.C.A. building.

JUNIOR RED CROSS

The 1953-54 year at Colls can boast of a very active Red Cross Club. Sponsored by Miss Jacqueline Benevento, the year has proved to be a productive one. The officers of the club are as follows: President, Margretta Davis; Vice-President, Susan Watson; Rec. Secretary, "Dolly" Blakney; Attendance Secretary, Arlene McElhaney; Corresponding Secretary Treasurer, Norma Richards.

The club is made up of four committees: Knitting, which takes care of knitting lap-robes for the soldiers; Sunshine committee which takes care of making birthday boxes for the soldiers at Fort Dix, surprise boxes for the blind children, and puzzle and picture books, also for the soldiers; the Collection committee takes care of the Community Chest, and enrollment collection, and also clothing for needy American and Korean children and candy for Lakeland and Fort Dix; and the Art Committee takes care of making party hats and making favors.

The Junior Red Cross Council, which meets every other month, is comprised of representatives of all schools in Collingswood. Miss Flora Hooper is the sponsor and Miss Achsah Tatem the treasurer. Officers for the council are as follows: President, Mary Gabriele; Vice-President, Victoria Marcarian; Second Vice-President, Ardis McElhaney; Recording Secretary, Janet Robbins; Corresponding Secretary, Sylvia Blumberg; Program Chairman, Faith Angell; Records Keeper, "Pat" Hynes.

The Council supervises the work of the individual school clubs, appropriates money for needy organization and people and takes care of problems which arise.

We can truly be proud of our Red Cross Club this year for all its work and contributions. All this has helped to make those less fortunate than we a little happier and also has helped us to really fulfill our motto "We Serve."

We are very fortunate to have one of the best school choirs in the state. To be a member of the choir is one of the greatest ambitions of most "Colls" students. This year, under the direction of Mr. Wallace, the choir has had a full schedule. Besides the annual Christmas program and the Spring Concert, the choir made its first appearance on television, sang for the Artisans' Convention in Philadelphia, and made records.

The candlelight service, given before a packed house, included a Pageant of the Christmas story. The Choir sang the story which was being portrayed on the stage. The choir's presentation of "Three Kings" was magnificent.

Can anyone forget "Dry Bones"? It was one of the many numbers in the Spring Concert, which gave our parents and friends a very enjoyable evening.

A vote of hearty thanks goes to our director, Mr. Edgar Wallace, for his patience and hours of untiring work.

A CAPPELLA CHOIR

This year nine girls and nine boys with outstanding musical ability were chosen to be in the Ensembles—the most select vocal groups in the school.

Numbers by the Ensembles were heard at the Christmas appearance on television, Candlelight Service and the Spring Concert.

Do you remember the carols which filled the air the day before Christmas vacation? The Ensembles were wishing everyone a merry, merry Christmas.

This year, for the first time, the Ensembles appeared on the George Skinner TV Show. By their excellent performance they brought recognition to our school and town.

The groups say "Thank you" to Mr. Wallace for his guidance and the Ensembles are congratulated on a very successful year.

ORCHESTRA

"Strange things are happening," to put it in the words of Red Buttons, well-known television comedian. Have you ever wondered what those strange sounds really are that come out of the basement of the gym? Those are the sounds made by forty-two sophomores, juniors, and seniors combined, playing violins, violas, cellos, trumpets, trombones, clarinets, and all kinds of instruments in the orchestra of Collingswood High School.

What are they doing? Anyone can tell you that; they're practicing for the various activities in which the orchestra has to take part during the year.

Among these activities this year are the Senior Plays, the Spring Concert, and an assembly. Some of the members also take part in the Talent Show, and some are in the minstrel show, both of which take place in the second half of the school year, the minstrel show being part of the Kolls High Karnival. Five of the orchestra members took part in State Orchestra.

Among the many pieces of music the orchestra is playing this year is everything from very serious Tchaikovsky to Richard Hayman's recording success, "Ruby."

PLAYS AND

The "Plays and Players" was presented by the Curtain Timers on the nights of January 29 and 30. There were three one act plays, "Opening Night", "The Bad Penny", and "Mrs. Harper's Bazaar".

"Opening Night" took place in the New York apartment of Cornelia Otis Skinner. It was the afternoon of Cornelia's opening night. The majority of her friends that came to visit her were on the verge of collapse and were worried very much about her. Cornelia was relaxed but vexed at all the fuss made about her.

"The Bad Penny" was the story about three sisters. The plot deals with a sister that had run away from home. She returned home many years later only to be scorned by her family. The sisters found out too late that she was a millionaire.

A Benefit for School Children was the theme of "Mrs. Harper's Bazaar". A silver fox fur, a temperamental and haughty actress, and the use of Fords instead of mules by the Kentucky school children, added much confusion and hilarity to the evening.

CURTAIN TIMERS

This year was a busy and profitable one for the Curtain Timers. Presiding over the dramatic group was Gail Smith. The other officers were: Ruth Schuster, Vice-President; Catherine McClure, Secretary; and Eleanor Romano, Treasurer. Mrs. Suzanne Trauffer served as dramatic coach in her second year at "Colls" High. The group had a meeting or some activity every Thursday afternoon.

On January 29 and 30, "Plays and Players" was presented. The show was arranged, directed, and produced by the Curtain Timers and consisted of three one-act plays. The first, "Opening Night", was directed by Gail Smith; the second, "The Bad Penny", by Peggy Shields; and the final play, "Mrs. Harper's Bazaar", by Norma Richards. Special sessions were held for the directors to learn the art of directing.

The annual Talent Show, sponsored by the Student Cabinet and produced by the Curtain Timers, was held on March 20, and was enjoyed by both performers and the audience.

Plans are being made for a busy season next year.

PHOTOGRAPHY CLUB

The Photography Club, recently started under the direction of Mr. Mark, has been very helpful. The press camera which the Student Cabinet bought for it was used to take pictures for "The Knight" and individual sport shots of all the sport teams.

Keep up the good work, boys!

VISUAL AID CLUB

The Visual Aid Club is one of the many service clubs at "Colls Hi." Under the direction of our chemistry teacher, Mr. Wehler, the boys learn how to repair projectors and slide machines and they help show films in various classes.

The Senior and Sophomore clubs were sponsored by Mr. Isaacs and Mr. Rubicam, the Juniors by Mr. P. K. Pavlides.

NURSES CLUB

This club is to interest more girls in the nursing profession and better acquaint them with the type of work and the many opportunities in the field. With Miss Tatem and Miss Geissinger as advisors, the club's many activities include visits, tours and individual volunteer work in neighboring hospitals.

Good luck to these, our future nurses!

BAND

This year our school has had a band of which it can be proud. Under the able direction of James G. Morgan, the band has had a special part in many of our school activities.

The band had as its lieutenant, Robert Stagmer, who is indeed worthy of merit and praise for his capable assistance.

Football and basketball games, along with all pep rallies were some of the school activities in which the band appeared.

In addition to their own concert in March, the band played in the annual Spring Festival in May.

In December, the band officially brought Santa Claus into town, and in May, it marched in the Memorial Day Parade.

Several members of our band participated in the State Band Concert in Glassboro last February. The band members also produced the Minstrel Show for the Karnival.

CORPS

MRS. BARBARA S. RELL

Our efficient Drum and Bugle Corps' director.

The Collingswood High School Drum and Bugle Corps could be seen doing their drills at all the football games, home and away. The Corps was under the capable leadership of Mrs. Rell. This was her first year and she did an excellent job. Sandra Przybylski was the majorette and leader of the Corps. Deanna Gingrich was assistant majorette; Eileen Ferris, Bugle Sergeant; and Mary Morton and Laura Maxwell, Drum Sergeants. They practiced regularly and were always ready with an excellent maneuver for each game. New bugles were given to the group this year and they were kept in good condition. The managers for the Corps were Peggy Olton and Marilyn Willard. Two of the most outstanding formations were a moving sailboat for Atlantic City and a pumpkin for Camden. The Corps made a commendable showing this year and we hope it will be as good or better next year.

CHEERLEADERS

"15 Rahs" to the cheering gals this year for their enthusiastic leading of cheers at pep-rallys, football, hockey, and basketball games. Under the direction of Miss Merwin, the peppy personalities in white were head-cheerleaders Claire Sturgis and "Betts" Keys. The squad included Charlotte Bellino, "Dolly" Carita, Linda Palmer, Bonnie Brand, Norma Eckhardt, Nadine Gold, Carole Hassan, and Marsha White. A special thanks to one of our peppiest cheering seniors, "Betty" Ballinger, who dropped out because of illness.

In addition to cheering at games, these gals dedicate the Spring months to coaching prospective cheerleaders, who are chosen at "try-outs" in May.

So here are heartiest congratulations to the squad of "54" for a job well done!

At the opening of the 1953 football season, Collingswood was rated one of the potential power houses of the South Jersey Group IV. Costly injuries and bad breaks was chiefly responsible for the team's unsuccessful record of three wins and five defeats.

The first clash of the season came against visiting Woodrow Wilson at Robert Shield's Memorial Stadium. As expected the "Blue and Gold" beat the "Presidents" by a score of 33 to 6. "Rich" Jackson and "Dave" Gurtcheff made fine running gains all afternoon thanks to the fine line play of "Frank" Clap, "Harry" Fithian, "Had" Birchmeirer, and "Bill" Lyons.

The following Saturday, the Panthers journeyed to Vineland, and with Lynn DuBois scoring two touchdowns, they won 26 to 14.

Before one of the largest crowds of the season visiting Atlantic City won a thrilling game from Collingswood by a 7 to 0 score. The Vikings, although being outplayed by Collingswood, scored on a pass play to Jay Margerum covering twenty yards. Jay Margerum was the whole show for Atlantic City, playing great on both defense and offense.

On the following Saturday the Colls, led by Lynn DuBois and "Al" Ferner, defeated a strong Bridgeton team on the losers field by a 21 to 14 score. A 15-yard pass from "Jack" Reinert to "Al" Ferner with two minutes to play brought Collingswood its victory. The Colls suffered a severe blow when they learned that Lynn DuBois, high scorer for the Colls, was out for the year with a broken ankle.

Defense was the key to victory for Camden as they defeated Collingswood by a 6 to 2 score the

following Saturday. The "Avalanche" scored on a pass from Block to Caputi and then held the Colls to a lone safety. "Buddy" Williams stood out for the Colls on defense and was responsible for Collingswood's scoring.

Because of the heavy snow storm the Trenton game was postponed. The Colls learned that end "Al" Ferner was out for the season with appendicitis.

On Alumni Homecoming Day, Haddonfield defeated Collingswood by a 14 to 7 score. "Stan" Cramer scored for the Panthers on a pass play. Stanton and Youngberger tallied for victors before a large crowd at the Collingswood High Stadium.

A comparatively small Audubon squad dealt the Colls their fourth setback by a 20 to 0 score the following Saturday. Ends Osler and Russell stood out for the "Green Wave" on offense and defense.

Before a crowd of 8,500 on Thanksgiving Day, Woodbury defeated the Panthers 34 to 7 at Woodbury. Bruce Steele, untried junior quarterback, led a fourth quarter drive which gave the Colls their lone touchdown. Art Rudolph converted for the seventh point.

Colls co-captains for the year were "Had" Birchmeirer and "Frank" Clapp. "Dave" Smith, "Al" Williams and "Jack" Bowden, playing mostly on defense, performed well at their positions. "Tom" Wilson, with his long punts, kept the opponents away from the Collingswood goal. Howard Birchmeirer brought great honor to Collingswood by being named All-South Jersey lineman of the year.

For the second year the girls' hockey team was very ably coached by Miss Marie Oliver with the assistance of our well-known basketball coach, Mrs. Betty Melson.

Besides being our hockey coach, Miss Oliver also received the honor of being chosen for the "All American" hockey team. Choosing to stay at "Colls", she didn't make the trip to Europe.

The co-captains chosen this year were "Jackie" Cesanek and "Bev" Durgin. "Bev" along with Doris Wilkins accounted for the majority of the goals.

The "gals" got off to a successful start by defeating Bridgeton by a 3-2 score. The hockey lassies were then defeated with a score of 7-1 by Woodbury. This loss didn't discourage the "Oliver girls" in the least. They went ahead to win the next game and tie the ones after that with Paulsboro and Gloucester respectively. The girls continued their fine work by tying their next opponent, Audubon, by a 3-3 score.

Due to an injury "Bev", one of the co-captains, was unable to play in the second Bridgeton game. The "gal's" hard fighting and team spirit showed its peak when the "Hockeyites" slaughtered their opponents by a 4-0 score. The goals were nicely accounted for by Hlubb, Wilkins, Melnik, and Leitch.

Hard luck led the way for the next three games in which the girls bowed to Woodbury, Paulsboro, and Gloucester by one point margins.

The Woodbury game was hard fought by both teams. This game meant the "Championship" to both teams. However, Woodbury came through to win by a 3-2 score, with Wilkins accounting for our goals.

The fighting team made a nice comeback and won their last game by a 5-3 score over Audubon. The girls ended their season with four wins, four losses, and two ties. The senior girls played the Alumnae in a game on Thanksgiving and won by a score of 6-0. Doris Wilkins was high scorer.

Not to be forgotten this season were the spirited J.V.'s. They helped cheer the varsity on to victories and came through with a fine record of eight wins, one tie, and one loss. Carol Duncan, the loyal "Soph" manager, did a very fine job for the team.

The girls have put away their hockey sticks until hockey camp and next school year when they will be sure to win the "Championship."

Best of luck "gals"! Keep fighting and you are sure to succeed.

BOYS' BASKETBALL

This year's "Colls" basketball quintet continued a fine record under the capable coaching of Jack McCloskey. The team finished the season with an enviable record of 16 wins and 6 defeats.

The club was headed by co-captains "Al" Ferner, and "Bucky" Waters. Other seniors on the squad included "Jack" Rienert, "Ed" Kurkian, and "Dave" Murphy. The rest of the squad included "Walt" Melnik, "Joe" Bieksis, "Skip" Di Marco and "Joe" Bowman.

The team was outstanding in setting two "Colls" scoring records. The first mark was set by casual "Al" Ferner, who broke the single game record with 32 points, and the season record with 348. The other was recorded when "Walt" Melnik sank the last field goal of a 96 point outburst against Vineland.

The "Colls" five fought its way to the finals of the South Jersey Group Four Tournament, but was defeated by a powerful Atlantic City aggregation. High hopes are held for next year's team with a nucleus of the "gruesome foursome," Melnik, Bieksis, Bowman and Di Marco.

GIRLS' BASKETBALL

The Girls' Basketball team had another successful year as it tallied up nine wins and four losses. Their coach, Mrs. Betty Melson and assistant coach, Miss Marie Oliver had wonderful co-operation and loyalty throughout the season from all the girls.

We find that the victory over Gloucester was the outstanding game of the season with a score of 42 to 33. Naomi Leitch was high scorer of the game with nineteen points. "Pat" Fletcher came close behind with eighteen points. It was a close game all the way with both squads fighting hard to defend their school name.

Chosen by the girls as team captain was Eleanor Romano, noted for her splendid sportsmanship and outstanding basketball ability. As a guard she plagued the opponents forwards. Other guards were "Franie" Bertholet, Laura Hlubb, "Dot" Walters, "Pat" Evans and "Maddie" Lewis.

High-scoring forwards were "Bev" Durgin, Naomi Leitch, "Pat" Fletcher, "Kay" O'Keefe, Carol Duncan and Carol Finley.

The J.V. team had a final average of six wins and five losses.

If the team continues to create such a fine impression, the feminine version of basketball will always have a popular place in Collingswood.

The Collingswood High Swimming Team of 1954, competing in the South Jersey Swimming League, finished the season with a record of eight defeats and no wins. We dropped two games each, to Merchantville, Vocational, Haddon Heights and Moorestown.

Letter winners were: Frank Clapp, "Ken" Redmer, "Bill" Baird, "Ken" Baker, Jack Opplinger and Donald Slimm.

Frank Clapp, who constantly placed first or second in the 100 yard freestyle, topped the team scorers with fifty-six points. Second in scoring points was "Ken" Redmer with forty-nine. He competed in the 100 yard breaststroke and 120 yard individual medley. "Ken" Baker, who competed in the backstroke, was third with eighteen points.

"Eddie" Mayo, who succeeded Mr. Diemer as coach in 1954, is looking forward to a better year in 1955.

Colls High closes another season of swimming, with a final average of one victory and six losses. Their achievement wasn't spectacular this year, but the spirit was there, for they tried their best and that's what counts.

The team was ably coached by Miss Marie Oliver with assistance from the team's co-captains, Elaine Crooks and Eileen Ferris.

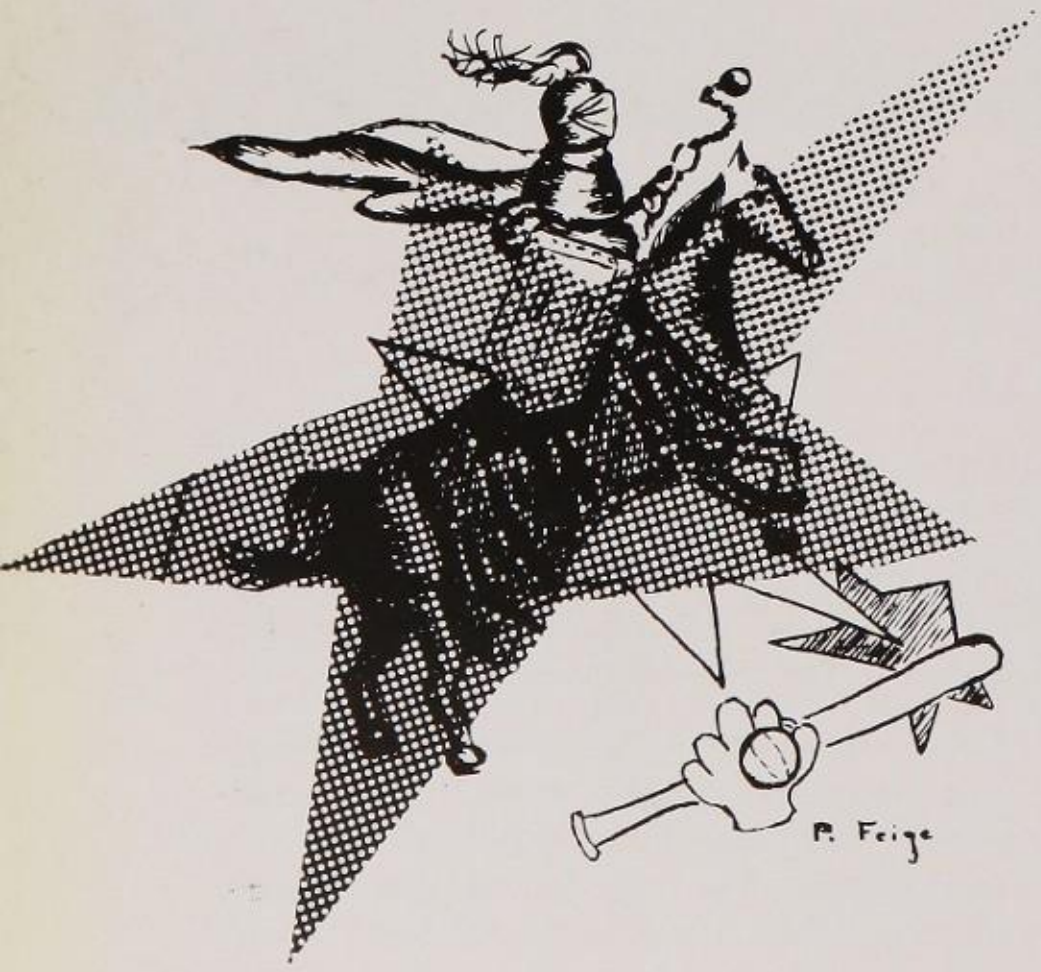
Naomi Leitch led the team in the 40 yard freestyle. Carol Hassan showed her style in the 20 yard breaststroke, and 40 yards were easily taken by Sally Siegel in the backstroke. We gained points in each meet as Eileen Ferris showed her diving skill.

It wasn't an outstanding record, but in the open meet between all four schools, they managed to keep out of the cellar by taking third place.

Other members of the team were "Kay" O'Keefe, Gloria McLaughlin, "Jackie" Furry, Nancy Lowden, Marsha White, Joan Ditmars, Sally Garside, and "Dolly" Blakney. The lively and capable managers were Laura Hlubb and Joan Corcory.

BASEBALL

BACK ROW: A. Di Marco, A. Casperson, J. Reinert, S. Gold, D. Goehring, Mr. Diemer, Coach.
FRONT ROW: A. Ferner, R. Chatfield, R. Waters, S. Olson, R. Schmoll, D. McMahon, L. Schnitzius.



Collingswood fielded a fair nine in the spring of 1953, winning six while dropping twelve. Outstanding performers for the "Diemermen" who will be missed this spring were Captain "Dave" McMahan, "Stash" Olsen, "Dutch" Chatfield, George Durgin, and "Dave" Goehring.

The team opened the season with "Stash" Olsen pitching the Colls to a 3 to 2 victory over Haddonfield. They then dropped three in a row before they beat Gloucester Catholic at the loser's field. In Group IV play, the Colls dropped two games to Camden and split with Bridgeton, Vineland and Atlantic City's "Vikings" for a three and five record. Their most decisive win was a nine to two victory over the "Vikings." Their worst defeat was at the hands of a strong Camden Catholic squad. Both these games took place at the beautiful Robert Shields Memorial Stadium.

This year Coach Diemer is looking forward to much help from nine returning lettermen. The returning Seniors are "Lou" Schnitzius, "Jack" Reinert, "Jack" Bowden, "Buck" Waters, "Al" Ferner, and "Dave" Smith. The returning Junior lettermen are "Skip" Di Marco and "Gene" Soltys.

TOP ROW: L. Davis, K. Vernon, W. Rudderow, C. Wampole, C. Paulson, D. Smith. MIDDLE ROW: G. Berkheimer R. Proctor, B. Lummis, F. Clapp, E. Kurkian, G. Coigne. BOTTOM ROW: E. Orowitz, K. Redmer, W. Pattison, L. Knight, J. Bieksis, R. Wolf.

Collingswood had an unlucky track team in 1953, winning only one of twelve meets. Lack of depth was the main reason for this weakness. Collingswood went through eight meets before winning over a weak Audubon team. Collingswood lacked good material in the sprints, 880, high jump, and broad jump.

Coach Ritter had some good work from Charlie Wampole in the hurdles, George Wolf in the mete, "Gil" Berkheimer in the 440, "Ugy" Orowitz in the javelin, Knight Vernon and "Chick" Paulson in the pole vault.

Outstanding for the Colls "thinclads" were Eugene Orowitz in the javelin, "Gil" Berkheimer in the 440 and "Chick" Paulson in the pole vault. Orowitz was undefeated in South Jersey competition, winning his second straight Group IV championship. He captured second in the state meet despite a broken thumb. Great work is expected next year of "Chick" Paulson who captured second in the South Jersey Group IV.

This year Coach "Rit" Ritter is counting heavily on six returning lettermen, G. Berkheimer, E. Kurkian, C. Paulson, E. Orowitz, K. Redmer, and J. Bieksis.

Coach Dave Edinger's varsity wrestling team, bolstered by the return of five lettermen from 1952-53 squad, took on the toughest competition in South Jersey and the two fine Philadelphia teams of Lower Merion and Haverford and finished with a record of ten wins and four defeats. Two of the defeats came at the hands of Paulsboro while Vineland and Haverford were responsible for the other two reversals.

The team was composed of seniors "Rod" Hawthorne, Gene Mosman, "Had" Birchmeier, and "Jim" Hamilton. Wrestlers returning next year with a year of experience are "Fran" Dawkins, "Bob" Zeberlein, Alan Lore, Noel Munson, "Dave" Gurtcheff, "Jim" Piper, Maurice Blumberg, Paul Seybold and "Sam" Gerstein.

At the completion of the regular season Collingswood entered the South Jersey Wrestling Tournament. The team finished second to Paulsboro which won the South Jersey Championship for the eighth straight year.

LEFT TO RIGHT: R. Ingram, K. Baker, W. Wescott, R. Renza, D. Murphy, R. Zimmerman, C. McKinley, S. Parker, and Mr. Olinger, Coach.

The tennis team under the capable direction of Mr. Chester A. Olinger registered a seasonal record of two wins and eight defeats. The net squad defeated Camden and Woodrow Wilson but dropped meets to Bridgeton and Atlantic City twice; and Camden, Woodrow Wilson, Trenton, and Haddonfield once. These matches were played in the spring of 1953.

The squad was composed of Juniors "Bob" Renza, "Ken" Baker, "Steve" Parker, "Dave" Murphy, and "Bill" Wescott. Sophomores Craig McKinley, "Dave" Van Gelder, "Al" Harris, and "Denny" Zimmerman completed the squad.

In the fall of 1953 the squad started practice again and played a few matches with Philadelphia teams. They gave every indication of a successful team for 1954. With the entire squad returning for the coming season, coach Olinger is looking forward to a championship year.

SOFTBALL

The softball lasses ended another victorious season with five wins and three losses. Neatly dressed in blue shorts, gold blouses and blue hats with gold "C's", the girls were out in front all the way, due to the conscientious coaching of Mrs. Betty Melson, assisted by Miss Marie Oliver.

The most thrilling game was with Paulsboro. Even though we lost, it was well-played with superb pitching by the team captain, Barbara Lee.

Sportsmanship and fine coaching brought forth this impressive season. It was ended with a faculty game and a spring picnic.

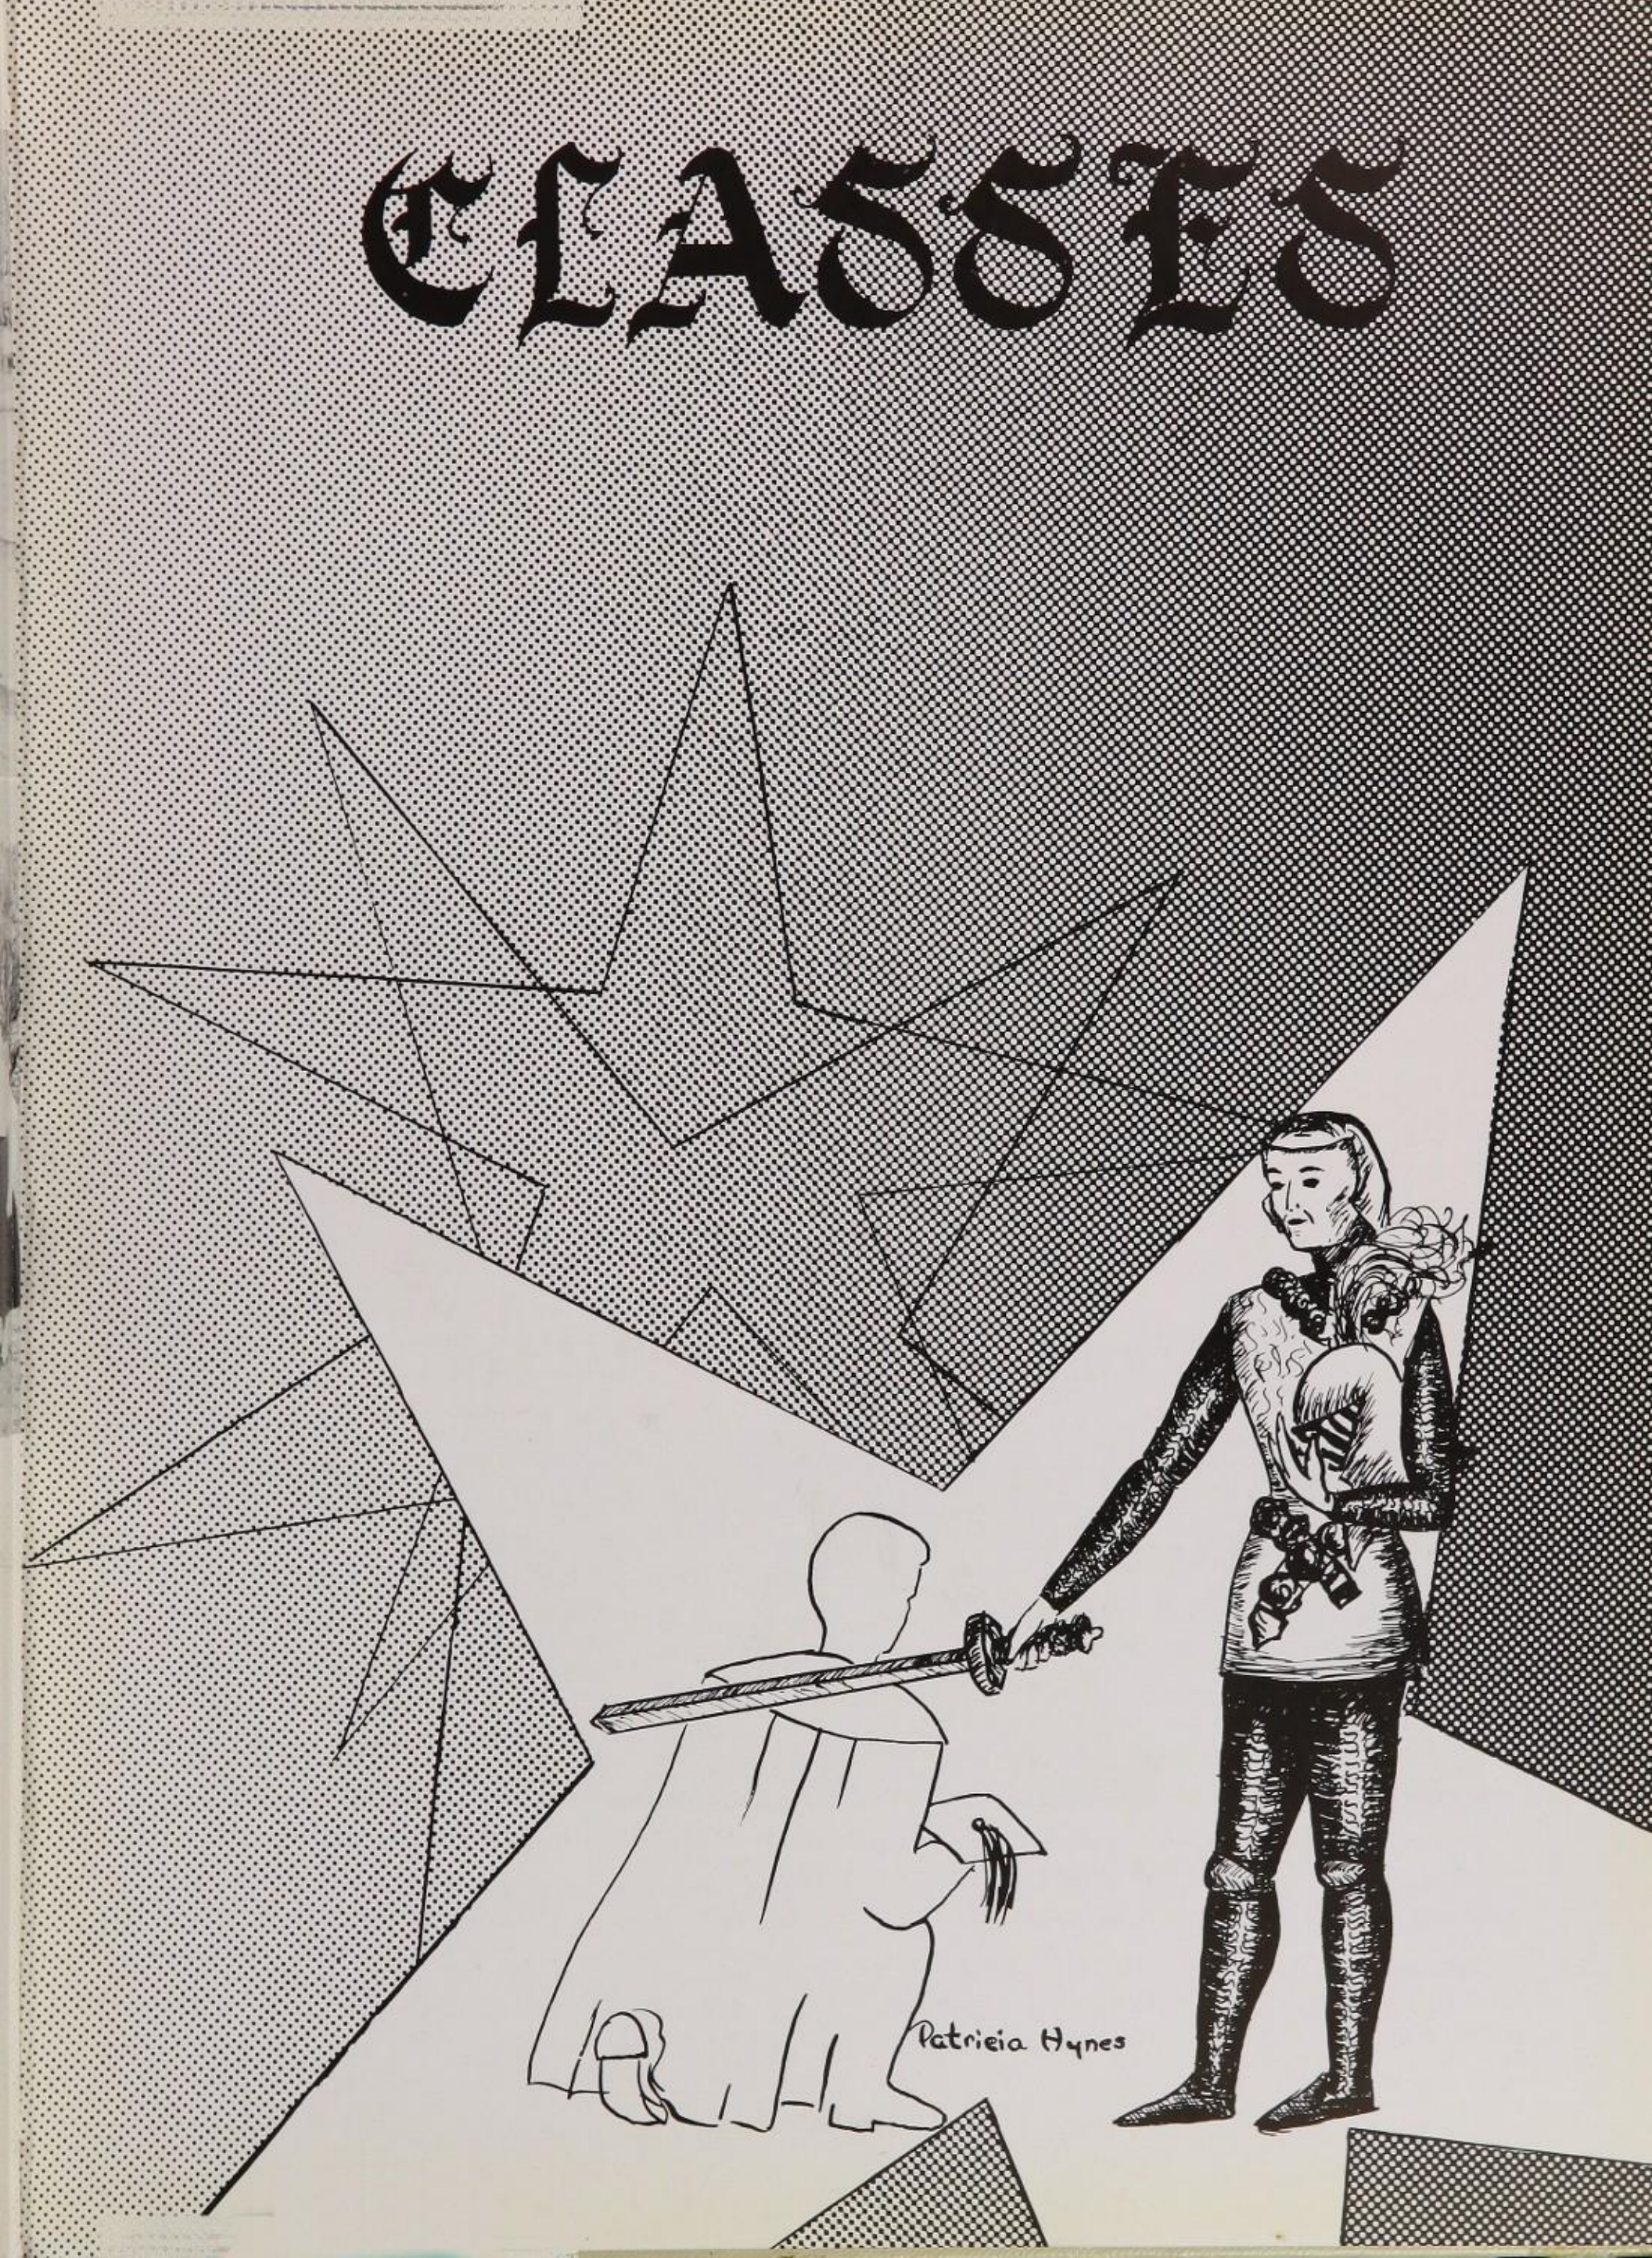
ARCHERY

The archery team adds another year to its experience as a developing squad. It is a voluntary group under the guidance and coaching of Miss Marian Merwin.

At their meets, with Merchantville, Haddonfield, Haddon Heights and Regional, they have five rounds of six arrows, at three distances: 50 yards, 40 yards and 30 yards, each at four feet in diameter.

A very helpful assistant is the team captain, "Dave" Goldstein. The squad furnishes their own equipment and try to meet whenever possible. Archery in "Colls" High is a new sport but from the interest shown it will most likely be an outstanding activity in the future.

CLASS



OUR SPONSOR

Best wishes, Linda.
Esther A. Snoke

In addition to teaching German and Spanish all day in our school, Miss Esther Snoke willingly and ably performs the duties of Senior Class Sponsor.

This year she helped our leaders in all of their projects, such as the annual trip to Washington in May, class dances, the Semi-Formal, and the all-important Senior Prom. Always punctual and on the job, Miss Snoke's assistance in planning the trip was invaluable in making it a success.

Senior Board of Control meetings were held in Room 37 once a week with Miss Snoke always there to give helpful advice. At her suggestion the news of each meeting was taken back to the homerooms by their respective presidents, so that everyone was always well informed about class activities.

Without Miss Snoke we know that our class would not have had the successful year we have just completed.

The main star of our star studded "Knight" is the Senior Class. Shining brightly as he led our class was "Frank" Clapp, who worked in the capacity of president, while "Jackie" Cesanek played his right-hand "man". The other two officers of the class, Barbara Muggleworth as Secretary, and "Bucky" Waters as Treasurer handled their respective positions very capably.

The Senior Board of Control which was made up of the president and another person from each of the seven Senior homerooms met in room thirty-seven for their regular meetings. The work of the board, capably advised by Miss Esther A. Snoke, class sponsor, was to discuss class projects and plan activities. Their suggestions were then taken back to the homerooms to be approved by the class.

One of the many projects of the class was the dances held in the "Old Gym" during Football Season which brought loyal "Colls" rooters out in full force.

A "Knight" to be remembered by all was the February Senior Semi-formal bringing "Colls" sweethearts closer together.

Next in line of class events was the favorite of all, the Washington trip. Early on the morning of May 5, the train was boarded for Baltimore, where we entered special buses which took us on a tour through Annapolis. While traveling to Washington, we ate our homemade lunches. First stop in Washington was the Capitol Building, then the Washington Monument—what a climb! Next the buses took us to the Potomac River Pier, where we left Washington for Norfolk on the Old Bay Line Steamer. In Virginia we visited Williamsburg and Jamestown. After another wonderful "Knight" on the boat, we visited the museum, and other places of interest in our capital, and before we knew it, we were back in Haddonfield.

The last bright star of our "Daze and Knights" was the beautiful Senior Prom which put stars in everyone's eyes.

SOPHOMORE CLASS OFFICERS
LEFT TO RIGHT: B. Mark, President; S. Garside, Treasurer; J. Luongo, Secretary; and B. George, Vice-President.

The class of '56 elected as its president for its Sophomore year, Bernard Mark, who is capable of handling any of the Sophomore problems. Assisting "Butch" with his many duties is our competent vice-president, Barbara George. Filling the important office of secretary is efficient "Jerry" Luongo, while "Sally" Garside holds the key to the treasury.

The first project of the Sophomore Class was a Hallowe'en Dance. This drew a good crowd and a sizeable profit. They contributed much of the success of the dance to their class sponsor, Miss Merwin.

The class hopes that this is only the first of many successful activities in the future.
